

Your Health Ticket

It's important to choose the right doctor to meet your healthcare needs. With Health Ticket you have access to an online provider directory and comprehensive information about your health care benefits.

Health Ticket is available 24/7 and your search results are printable so you can take them along with you to medical appointments.

Your Health Ticket looks similar to your regular ID card, only with more detail, which will allow you to:

- Keep better control of your out-of-pocket expenses.
- Obtain a snapshot of each provider you research, in-network or out-of-network.
- Use the printable ID card in the event you lose or misplace your regular card.

Based on the search criteria you enter, you will easily be able to locate:

- In-network providers by specialty, hospital, facility or geographic location
- Your copay information specific to that provider
- Deductible information
- Coinsurance information
- Directions to the provider's office
