# Legal resources at your fingertips

**If you're struggling with a legal issue, Health Advocate's online Personalized Legal Center is the place to start.**
It's free, completely confidential, and easy to use, offering a wide range of information, documents and forms.

## How it Works

Simply go to your EAP member website and select "Personalized Legal Center." There you'll find documents and articles on a wide range of legal topics, such as:

- Bankruptcy, credit, debt collection, identity theft
- Criminal law
- Divorce & family law
- Elder law
- Internet (fraud, bloggers and free speech, privacy and security)
- Landlords and tenants
- Motor vehicle law
- Taxes and audits

## Search Forms and Documents*

The Personalized Legal Center also features state-specific legal forms and documents created by credentialed attorneys that comply with regulations and requirements of the American Bar Association. Subjects include:

- Wills and estates
- Power of attorney
- Living trusts
- Personal service agreements
- Name change
- Pre-nuptial agreements

*Note: The legal forms are not intended to provide legal advice or substitute for the advice of an attorney. If you are unsure which legal form you need, please consult an attorney.

## Need live help from an attorney? Health Advocate can connect you!

Get a free consult (up to 30 minutes) with an attorney on most legal issues.
In most cases, discounted rates are available if further legal representation is required.
